

2022 NJUA JOINT INSURANCE FUND SAFETY INCENTIVE PROGRAM

The purpose of the NJUA Safety Incentive Program is to improve workplace safety, raise employee awareness and reduce accidents by encouraging participation in JIF safety-related activities and training programs. Large members (greater than 15 employees) that accumulate 75 points over the course of a year will qualify for the Safety Incentive Program award. Small members (fewer than 16 employees) need only accumulate 50 points to qualify for the Safety Incentive Program award. Members qualify by completing SIP Required Elements. Award plaques are presented at the Annual Safety Awards Breakfast.

SIP REQUIRED ELEMENTS	Points
